Starting place allocation

Starting places will be allocated according to the rating.

The entry fee must be received on our account within 14 days after allocation of the starting place. If this is not the case, your registration will be deleted and the starting place will be assigned again.

20 starting places will be allocated as pure wildcards according to the organizers, these are already included in the divisions above.

If a division does not fill up in the first 14 days, we will allocate the starting places to the waiting list at our discretion.

Cancellations

Since we must make firm reservations for the golf course and pay accordingly, we will not be able to refund cancellations 4 weeks in advance or less unless the starting place could be assigned elsewhere.

Please note that a golf course may be closed due to weather conditions. In this case, we will cancel the tournament on short notice and seek a new date.
