Overview

Hole 1

Distance 160m

PAR 4

Info:

Mandatory is a tree, drop zone is right next to it (within 10m).

Hole 2

Distance 118m

PAR 4

Info:

The OB line is defined by the streets (tar) and everything beyond, the non-street OB line will be displayed by a string line.

Hole 3

Distance 116m

PAR 4

Info:

Mandatory is the same as it is on the default hole, but the drop zone is right next to it on the path (which is within 10 m), instead of a retee.

Hole 4

Distance 122m
PAR 3

Info:
-

Hole 5

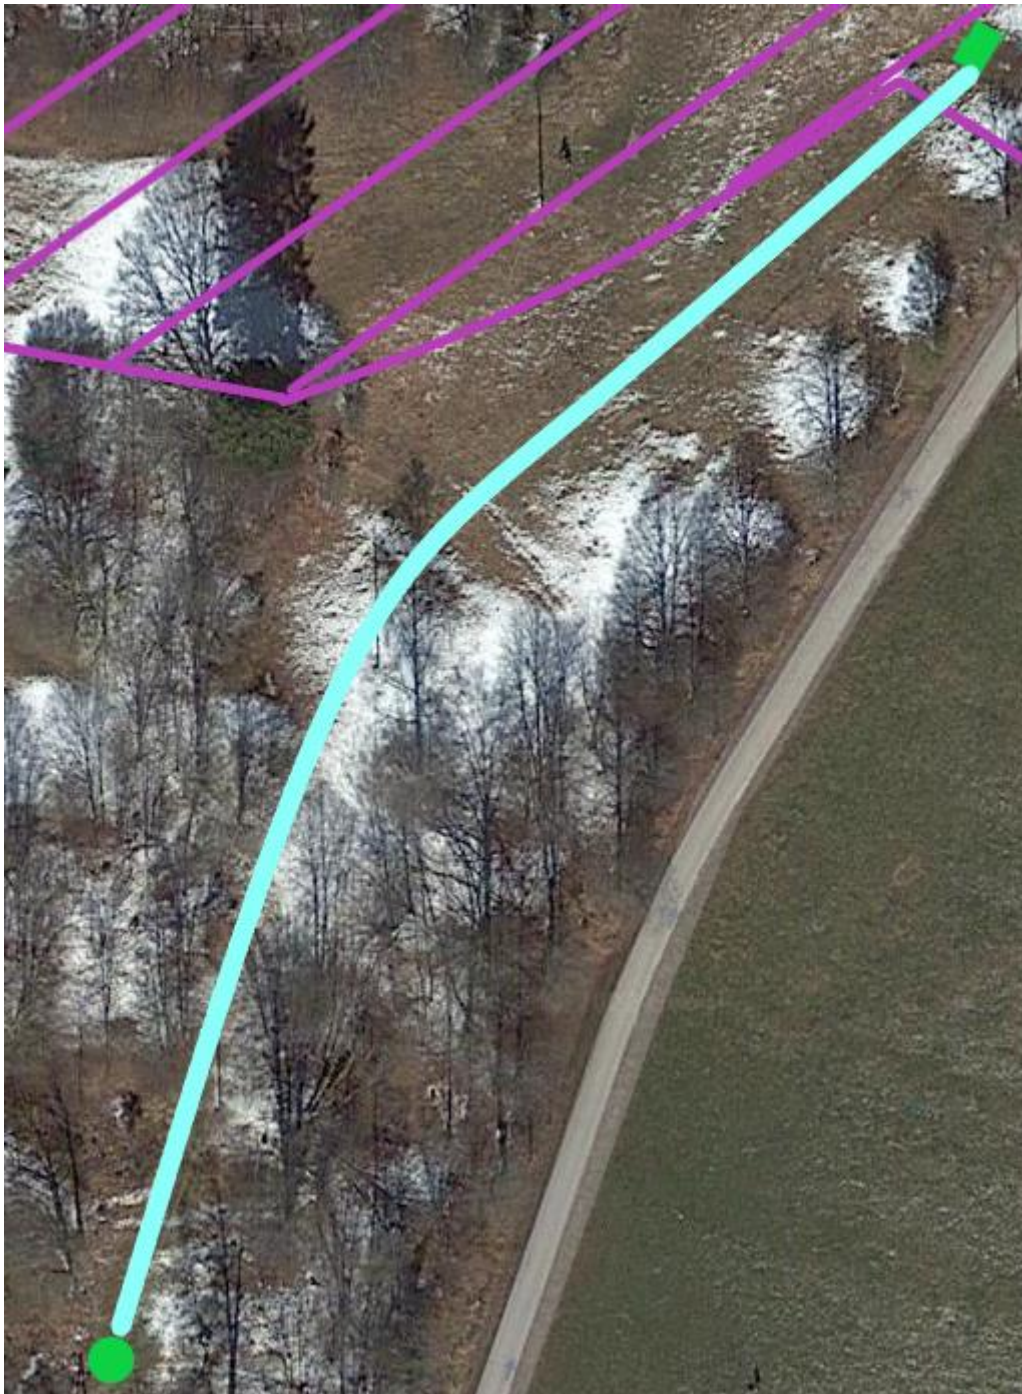

Distance 198m

PAR 4

Info:

The mandatory is within 10m of the teepad, so if a player is missing the mandatory will have to retee.
The hazard line will be displayed by a string line.

Hole 6

Distance 173m

PAR 4

Info:

The hazard line is the same as for hole 5, but mirrored.

Hole 7

Distance 114m

PAR 3

Info:

The mandatory is a tree next to the default teepad (within 10m), so the default teepad is used as drop zone.

Hole 8

Distance 134m

PAR 4

Info:

The OB line will be displayed by a string line.

The mandatory is a tree, and the drop zone is right next to it (within 10m), on the path.

Hole 9

Distance 75m

PAR 3

Info:

Island hole, the drop zone is outside the island, two meters away from the edge of the island.
The island has a radius of 10m.

Hole 10

Distance 140m
PAR 3

Info:

The first mandatory is a tree at the edge of a shrubbery, the drop zone is right next to it.
The second mandatory is the last tree in a group of big trees. Since the tree itself is in the island of hole 9, the drop zone is three meters away from the mandatory, on the fairway.

Hole 11

Distance 140m
PAR 3

Info:

-

Hole 12

Distance 215m
PAR 4

Info:

OB line is the edge of the street, at the 90 degree turn next to the end of the shrubbery the line will be sprayed on the street and a bit in the gras.

Hole 13

Distance 126m

PAR 4

Info:

The mandatory is a tree at the edge of the shrubbery, the drop zone will be next to it (within 10 meters) it, on the fairway.

Hole 14
