Hang rechts OB. Bodendecker links OB.

A diagram of a golf hole layout. A red rectangular box labeled 'VACP' is positioned on the left side of a grey path. A red line with triangular markers starts from the left edge of the 'VACP' box, curves around a large tree trunk, and ends at a red cup icon. A yellow arrow starts from the bottom of the path and points towards the cup. A brown line with cross-ticks forms a rectangular shape on the left side of the path. A green diagonal bar is located at the bottom right of the path. The background is light green with various green circular shapes representing trees and bushes. A large teal gear shape is in the bottom left corner.
